

Be the Bridge

(Words and Music by Mark Wesling)

 C Am
Sometimes I fall upon my face
 F G6
I can see sun on the rocks
 C Am
I can hear whispers in the rain
 G6(D) C
Calling me back to my home

(Chorus)

 C Am
Sometimes I fly so far
 F G6
Sometimes I stretch my wings and rest
 C Am
But when I see you stop and cry
 G2 C
I just can't stand by

 C(G) Am
If you see trouble all around
 F G6
Pick up your feet and help out
 C Am
Don't be afraid of what will come
 G6(D) C
You will have strength in your soul (Chorus)

 C(G) Am
When you see skies of pale blue gray
 F G6
And the leaves falling under foot
 C Am
There is a promise we will keep
 G6(D) C
To those who need us to care (Chorus)

 C(G) Am
So if you see someone in need
 F G6
Of a shoulder to lean on
 C Am
A hand to help them cross the stream
 G6(D) C
Be the bridge they can cross (Chorus)
