

Can You Hear the Bells?

(Words and Music by Mark Wesling)

Christmas is coming
The trees are filled with lights
Families are gathering
To sing carols every night

(Chorus)

Can you hear the bells?
Ringing in the miracle, Noel
Now is the time
To celebrate His birth
To wish for God's blessings
And peace on this earth

There's a goodness in the air
And a wellness to be found
Reach out to your neighbor
And share the joy around
