

## **Catawba's Mountain**

(Words and Music by Dana A. Zbozien and Jean Zbozien)

G

Up Catawba's mountain

D

Is where I want to go

G

Goin' to see dear Grandma

Please don't drive too slow

(Chorus)

G (A)

Up and down and around and around

D (E)

Up and down we go, oh

G (A)

Goin' to see dear Grandma

How we love her so

G

Cake is on the counter

D

Chicken's in the pan

G

Grandma's on the back porch

Iced tea in her hand

A

Riding on the highway

E

Up and down we go

A

On Catawba's mountain

Through sun and rain and snow

A

How we miss dear Grandma

E

Far away from home

A

Miss her smiles and stories

No matter where we roam
