(Words and Music by Mark Wesling, Inspired by Renee Wesling)

(Chorus)

Dsus4 D Dsus4 D  
Chocolate **milk**, chocolate **milk**  
FM7 Dsus4 D  
I love my chocolate **milk** (Repeat)

Am F  
I think my favorite thing in the whole wide world  
C G  
Is a nice big glass of chocolate milk  
Am F  
I love it so much, I have to sing  
C G  
This chocolate milk song every evening (Chorus)

Am F  
It tastes so good and cool, it seems  
C G  
The only thing that can compare is chocolate ice cream  
Am F  
When I drink chocolate milk, it makes me dream  
C G  
Of chocolate, chocolate, chocolate, chocolate everything (Chorus)

Am F  
Chocolate milk, chocolate milk  
C G  
Choca, choca, choca, choca, chocolate milk (Repeat then chorus)

Am F  
What if you closed your eyes  
C G  
And started to sing  
Am F  
And opened them to see there was  
C G  
Chocolate everything (Chorus)
