

Christmas Waiting

(Words and Music by Mark Wesling)

(Chorus)

Christmas sleeping
Christmas dreaming
Christmas wondering
Christmas waiting

All the children sleeping, so quietly
Peacefully resting, waiting, waiting
Wondering what event tomorrow will bring
A Savior of the whole world, a miracle, a Heavenly King

All the children smiling at the baby in the cradle
A gift of light given to us in this ordinary stable
Wondering at this miracle of hope and love
Smiling at this precious gift sent from Heaven above

Morning is approaching, the sun will rise shortly
Little feet will soon be running, quietly
We'll hear the sound of footsteps and laughing and playing
Thankful for the miracle given to us this morning
