

## **Glowy Shoes**

(Words and Music by Mark Wesling)

(Chorus)

Glowy shoes  
Dancing shoes  
Sparkly shoes  
I love my shoes

When I get sad  
I put on my shoes  
And dance and dance  
For you and you

My shoes light up  
And blink and blink  
The more I dance  
The more they blink, I think

(C)

When it gets dark  
I disappear  
I jump up and down  
And I reappear

All through the night  
My sister and I  
Run back and forth  
Like two fireflies

(C)

At the end of the day  
I take off my shoes  
And think of what I did  
And start to snooze

(C)

(Bridge)

I really do, love my shoes  
I really do, I do, I do

(C – two times)
