

Hop, Skip and Jump

(Words and Music by Mark Wesling)

Dm Am
Hop, skip and jump, just before we have lunch
C G
Then we'll run and play, all through the day
Dm Am
We can't stand still, like a cat on a windowsill
C G
Or an owl on a branch, we have to run and dance

(Chorus)

CM7
Oh, how we love to play
G2
And run throughout the day
CM7
From morning to night
G2 (Last chorus) CM7 G2
Till we rest and turn out the lights

Dm Am
Our parents know it's true, they were once in our shoes
C G
They still like to dance when they have a chance
Dm Am
It's no big ordeal when we run like squirrels
C G
'Round trees and benches, jumping bushes, climbing fences (Chorus)

Dm Am
But when we get hungry, like a bee gets bumbly
C G
Mom rings the lunch bell, then we run and yell
Dm Am
Then after our feast, when our parents expect it least
C G
We give them a big hug, then we jump like a bug (Chorus two times)
