She realized she was scared  
    G            A            D  
And let **out** a frightful "**Meow**"

    C                    G  
And **Santa** said, "Who's on **board**?"  
    F                    G  
And was shocked at what he **saw**  
    C                    G  
On the **back** of the sled was a shivering cat  
    F    G            C  
With her violin and **bow**

Santa said "Thank **Heavens!**"

In that **warm** voice he had spoken  
    C                    G  
"**Would** you play some songs tonight  
    F    G            C  
Because my **radio** is **broken**?"

D            A            D

    bm                    G  
It would **be** an honor Mr. **Claus**  
    D            A            D  
But could I please **borrow** a **seat** belt  
    G                    A            D  
Because I'm **holding** on with **all** four **paws**"

D            A            D  
Then **Kelsey** began to **play**

The most wonderful selections

She would continue to **play** with such affection

Music filled the air

And on their faces smiles were beaming

C G  
So after a long night of work  
F G  
Santa said, "Thank you, Kelsey  
C G C  
Your playing was wonderful  
F G C  
And don't worry, everyone feels queasy"

"But please come inside  
am F  
And meet Mrs. Claus  
C G C  
You can have coffee by the fireplace

You dream of music you'll know

That Kelsey was riding with Santa again
