

Popcorn

(Words and Music by Mark Wesling, inspired by Renee Wesling)

It's movie night, and we're all around
And we hear a sound, what can that be? (Repeat)

(Chorus)

It's Pop, Pop, Pop, Pop, Popcorn
It's Pop, PopPop, PopPop, Pop, Popcorn
It's Pop, Pop, Pop, PopPop, Popcorn
It's Pop, PopPop, Pop, PopPop, Popcorn

We jump up and down, we know that sound
We look around, what can that be? (Repeat)

We look around, we know that sound
It's getting faster, what can it be? (Repeat)

We're awfully hungry, We know that sound
We look around, yeah, what can it be? (Repeat)

It's getting faster, we know that sound
We look around, what can it be? (Repeat)

We love that sound, we look around
It's getting faster, we know that sound (Repeat)
