CM7 C  
I have a puzzle of five hundred pieces  
CM7 C  
This special gift from my little nieces  
FM7(b5) FM7  
It was from a place I had been  
FM7(b5) FM7  
And a time though, I didn't know when

CM7 C  
They said find the four corners and lay them out  
CM7 C  
Then turn each piece over and don't pout  
FM7(b5) FM7  
You can start from one corner and go one by one  
FM7(b5) FM7  
And fit each piece together, this was fun

G F  
The blues made the sky and the greens made the trees  
Am G6/B  
It wasn't so puzzling, I'd have to agree  
G F  
Each piece fit together with a wonderful snap  
Am G  
And if it didn't, I would just laugh

Soon the image became more clear  
CM7 C  
A place I had known began to appear  
FM7(b5) FM7  
Each piece became easier to find  
FM7(b5) FM7  
I could see the final picture in my mind

Then there were **just** a few **pieces** left  
CM7 C  
I could **only** stop and **hold** my breath  
FM7(b5) FM7  
When the **final** piece fit and the **puzzle** was finished  
FM7(b5) FM7  
I looked at the place I'd **always** cherished

G F  
The **puzzle** was a picture of **our** backyard  
Am G6/B  
With our **whole** entire family **gathered**  
G F  
**We** were all smiling with our **arms** around each other  
Am G (G6)  
This **wasn't** such a puzzling **puzzle**
