

## **Reason to Sing**

(Words and Music by Mark Wesling)

(Chorus)

C            Em/B  
School is an **important** thing  
Am        Em  
Learning is **everything**  
F            C  
We have so **much** to bring  
G            C  
And you are a **reason** to sing

C            Em/B  
Each **morning** we get **up** to see  
Am            Em  
There are so many **opportunities**  
F            C  
We learn reading and **writing**  
G            C  
Art, music and **poetry**

C        Em/B  
And our **parents** are so nice  
Am            Em  
They come to school **each** day twice  
F            C  
They always **seem** so wise  
G            C  
It's **because** of school I **realize**

C            Em/B  
And though **we** might be **trouble**  
Am            Em  
We can **really** be quite **lovable**  
F                    C  
When we're **not** popping others' **bubbles**  
G            C  
Or **being** so **gullible**

C        Em/B  
And the **teachers** are so cool  
Am            Em  
They could **all** be out **by** the pool  
F            C  
But they love to **be** in school  
G            C  
'Cause **learning** **really** rules (Chorus two times)
