

Why Do I Have 10 Toes?

(Words and Music by Mark Wesling)

(Chorus)

Why do I have 10 toes?

I don't really know

1 2 3 4 5

6 7 8 9 10

Why I have 10 toes

I don't really know

All I know is they get cold

When I step in the snow

What if my toes glowed?

They could lead the way in the dark

What would my dog think?

I bet he'd let out a bark?

(C)

How big would my shoes be?

If I had 12 or 14 or 20

I bet it would be hard to run

I think 10 is plenty

I can paint them different colors

Or draw on them smiley faces

What I like about my toes

Is that they take me to different places

(C)

I'm so happy for my toes

And don't really need an 11

They'll be with me my whole life

And then they'll walk me into Heaven

Why do I have 10 toes?

I don't really know

1 2 3 4 5

6 7 8 9 10 (C)
