

## **Catawba's Mountain**

(Words and Music by Dana A. Zbozien and Jean Zbozien)

Up Catawba's mountain  
Is where I want to go  
Goin' to see dear Grandma  
Please don't drive too slow

(Chorus)

Up and down and around and around  
Up and down we go, oh  
Goin' to see dear Grandma  
How we love her so

Cake is on the counter  
Chicken's in the pan  
Grandma's on the back porch  
Iced tea in her hand

Riding on the highway  
Up and down we go  
On Catawba's mountain  
Through sun and rain and snow

How we miss dear Grandma  
Far away from home  
Miss her smiles and stories  
No matter where we roam
