

Round Up

(Words and Music by Mark Wesling)

For all we have and all we need
For our parents and our country

Come on everybody, it's time to round up

Point your toes up to the sky
Wave your arms and lift them high
Twist your back from left to right
Stretch your neck, you'll soon know why

(Chorus)

For all we have and all we need
For our parents and our country
We hold our heads up to the sky
And thank God, the Most High

Ho di do, fiddle di, fiddle do
Don't you dare step on my toe
Jump to the left and jump to the right
Don't you worry, it's as easy as pie

Wave your arms like a bird
We have freedom, haven't you heard?
We can shake our heads from side to side
We can yell yippee yeah yi, yi, yi

Jump up and down, twist yourselves around
Is there a country better than this around?
We thank God for what we have and need
For we are blessed and blessed are we
